SEPTEMBER

Our 2024-25 school year opened with great success. We are so happy to see our students and welcome our families for another outstanding year of learning.

Please join me in welcoming Mrs. Kristin Street and Mrs. Anne Westman to our teaching staff! While they have been and will continue to be substitute teachers for us, they are eager to launch our new Wednesday Preschool Enrichment Program.

We look forward to our many traditions for this year. Our Lehner Farm Field trips are the first tradition of the year. You will receive the specific day and time your child's class is attending from your child's teachers. Please mark your calendar for our first Fallfest on Wednesday, October 16 from 5:30 - 7:00 pm (weather permitting) We are excited to welcome our families for a fun Fall evening together.

Please make sure to check your classroom Bloomz messages from your teachers to stay up to date on activities and special events.

VIRTUE OF THE MONTH

For our 2024-2025 school year, we will be sharing 9 different virtues with our students, staff and families. Our first virtue of the year is Love. The Bible verse to compliment our virtue is 1 John 4:7. 

This month, your child will bring home a small crate to hold special symbols and conversation cards about each virtue of the month. We hope you will keep this crate in a special place to collect these symbols and cards throughout the year and share with your family.

We look forward to bringing these virtues to life during our time together.

CLASS OPENINGS

We have limited openings in our 3's classes, our afternoon 4's classes and our Kindergarten Enrichment classes. Please share these openings with family and friends. We are always grateful to meet the families whom you refer!
