

SEPTEMBER NEWSLETTER

Welcome to the 2023-2024 school year!! We are very excited to have our students begin next week.

As a reminder from the Parent Orientation meeting: Safety is our priority for our students, families, and staff. This year, teachers will be asking for identification at dismissal. Please make sure to bring identification with you into school at dismissal every day. If you do not have your id, you will need to come to the office to verify information about your student and give us your codeword. We appreciate your cooperation with this procedure.

Over the summer, new carpeting in the hallways and a new playground were installed! We can't wait for the children to discover all the ways they can play outside! No more rubber mulch in their pockets! We installed a poured in place surface that will allow for lots of running and safety around the area. Thank you to the Doran family for power washing our outdoor patio, playhouse and shed to get it ready for the school year.

Please join me in welcoming Mrs. Maria Del Regno in the Red room 2 day 3's class and Mrs. Monica Good and Mrs. Stacia Bliet in our 2-day Kindergarten Enrichment program. Mrs. Good taught at our program previously and has since become a licensed Kindergarten teacher. We are fortunate to have these teachers join our outstanding returning teachers and staff.

Please make sure to check your classroom Bloomz messages from your teachers to stay up to date on activities and special events.
