

NHPEC NEWSLETTER

DECEMBER

We are thankful for a very successful Turkey Trot. Through your generosity, we raised \$5676 which will go towards special activities and program-wide items needed throughout this year. We enjoyed seeing our students and families tackle the obstacle course, create a turkey snack and build a gratitude tree!

Extra shout out to the parents who helped set-up and tear down the obstacle course, bring food in for conferences and create a nativity scene to be completed this week.

The children will be busy learning songs for our Christmas programs, making cards as a service project, making gifts for parents and learning about Jesus' birth over the next few weeks. It is always a special time in our school as they anticipate Christmas.

Finally, I would like to thank the teachers and staff who make our program outstanding. Their unwavering dedication and love for teaching and supporting children's growth is unmatched!

VIRTUE OF THE MONTH

December's virtue is Honor. The bible verse for reflection is: Honor your mother and father, and love your neighbor as you love yourself. Matthew 19:19.

Some questions to ask your children are: To honor someone is to be respectful, kind and caring. Tell me the ways you honor your mother and father? Tell me a way you can show love to your family and friends.

WARM CLOTHING AND ILLNESS

Please send a warm coat, hat and gloves with your children each day. We will go outside if the weather is 25 degrees or higher.

Please be considerate and do not bring your children to school if they are sick or not feeling well. Please do not bring them to school if you have given them medicine. Children may return to school 24 hours after being fever free without the use of fever-reducing medication. Please report to the office if your child is sick and has a communicable disease such as strep throat, hand foot mouth, conjunctivitis, etc.
