

NHPEC NEWSLETTER

JANUARY

Happy 2026! We look forward to welcoming you back on Monday and hope you have had a wonderful Christmas break with your families.

We are excited to welcome Erica Carlson this month to meet with our students and provide a "Magic of Reading" program. Erica is an author of several books and an entertainer through magic and storytelling. She will meet with a few classes at a time to provide an engaging and interactive experience for our students. The funds from the Turkey Trot enable us to provide this special event, thank you again for donating to our fundraiser!

This month and next we will be preparing for our Parent Night 2026. Please mark your calendar for the evening of Monday, February 23 for our outreach and watch for ways you can participate or donate. This is always a special evening in our school year.

SUMMER CAMP OFFERINGS

Summer Camp registration will be open on Monday, January 12th. A link will be sent out for all current families to register. We will be offering camps during the weeks of May , 11th, 18th, June 1, June 8 and August 3rd. We will be bringing back Art camp, Summer Fun and Mystery to name a few and a couple more to our offerings.

All registration will be done online and paid through your Tuition Express account.

VIRTUE OF THE MONTH

January's virtue is Kindness. Do unto others as you would have others do unto you. Luke 6:31

Some questions to ask your children are: What is something kind you did today? How can you be kind to our family, friends and classmates? Tell me something nice you can say to a friend.

WARM CLOTHING & ILLNESS

Please send a warm coat, hat and gloves with your children each day. We will go outside if the weather is 25 degrees or higher.

Please be considerate and do not bring your children to school if they are sick or not feeling well. Please do not bring them to school if you have given them medicine. Children may return to school 24 hours after being fever free without the use of fever-reducing medication. Please report to the office if your child is sick and has a communicable disease such as strep throat, hand foot mouth, conjunctivitis, etc.
