## FEBRUARY

February is always such a special month in our program and this year is no exception. We are excited to celebrate all our parents at Pastries with Parents. Please join your child at the time your teachers have informed you for special treats, coffee and time together at school.

As we prepare for our 2025 Parent Night, we invite you to contact the office if you have a business or service that you would like to donate to our Silent Auction by February 13th. No donation is too small and all proceeds from this event go directly to Common Ground Free Store Ministries. All businesses and services will be listed in the March newsletter and placed on our Facebook page.

Many thanks to the families who have contributed to our classroom raffle baskets! We are very grateful for your contributions. These are always a big hit and bring a lot of excitement as we approach Parent Night.

We look forward to seeing you and your children who attend New Hope Preschool to enjoy all the fun activities we have planned. Elevated Pizza will be here for purchase and a candy buffet will be in Fellowship Hall A. We have a professional magician who will be performing in the Sanctuary and a glow party and classroom activities for everyone to enjoy. All of this with the raffle baskets and silent auction will create a special evening for our outreach. Many thanks to Mrs. Blue and Mrs. Seggerson for their many hours of planning and for the rest of the staff who help make this event a success!

## SUMMER CAMP OFFERINGS

We look forward to exploring famous artists, having a mystery camp where each day is a surprise, discovering animals from around the world, having imaginary adventures, uncovering nature, and a week of summer fun.

We know your children will have a blast! Please click on the link below to register.

## VIRTUE OF THE MONTH

Our February virtue is Giving. We can give our time. We can give our talents. We can give our treasures. Acts 20:35 As we prepare for our Parent Night outreach, the questions on the conversation card are very relevant. Did you know some kids have zero toys? Zero treats? Would you like someone to share their toys with you? Did you know giving is more than just money and things?

## WARM CLOTHING AND ILLNESSES

Please send a coat, hat and gloves with your children each day. We will continue to go outside on sunny but cold days.

Please be considerate and do not bring your children to school if they are not feeling well. Please do not bring them if you have given them medicine. Children may return to school 24 hours after being fever free without the use of fever-reducing medication.
