

## KINDERGARTEN ENRICHMENT CURRICULUM

### READING/LANGUAGE ARTS

- CLASSROOM LEVELED TEXTS FOR GUIDED READING

THE KINDERGARTEN ENRICHMENT CURRICULUM OFFERS A VARIETY OF LEVELED TEXT OPTIONS TO SUPPORT INDIVIDUALIZED READING INSTRUCTION, INCLUDING CLASSROOM LIBRARY BOOKS, STUDENT TEXTS, AND DIGITAL RESOURCES. THIS ALLOWS EACH STUDENT TO ENGAGE WITH MATERIALS THAT MATCH THEIR READING LEVEL, BUILD CONFIDENCE, AND DEVELOP STRONG LITERACY SKILLS AT A COMFORTABLE PACE.

- WRITTEN EXPRESSION

WRITING INSTRUCTION FOCUSES ON DEVELOPING EARLY WRITING SKILLS. AT THIS STAGE, CHILDREN LEARN THAT IDEAS CAN BE EXPRESSED THROUGH PICTURES, LETTERS, AND WORDS. SKILLS ARE REINFORCED THROUGH WEEKLY JOURNALING, CREATIVE WRITING ACTIVITIES, AND HANDS-ON LITERACY PROJECTS THAT ENCOURAGE SELF-EXPRESSION AND CONFIDENCE.

### MATH

- BRIDGES IN MATHEMATICS

MANY ENRICHMENT STUDENTS ATTEND SCHOOLS THAT USE THE BRIDGES IN MATHEMATICS PROGRAM. MATH INSTRUCTION FEATURES ENGAGING GAMES AND ACTIVITIES THAT REINFORCE FOUNDATIONAL SKILLS AND CONCEPTS.

### SCIENCE, SOCIAL STUDIES, AND INTEGRATED STUDIES

- HANDS-ON AND EXPLORATORY LEARNING

SCIENCE IN THE ENRICHMENT PROGRAM EMPHASIZES EXPLORATION AND DISCOVERY. INSTRUCTION IS HANDS-ON AND INQUIRY-BASED, WITH EXPERIMENTS, INVESTIGATIONS, AND CROSS-CURRICULAR PROJECTS THAT CONNECT SCIENTIFIC CONCEPTS TO REAL-WORLD EXPERIENCES, DEEPENING UNDERSTANDING ACROSS ALL AREAS OF LEARNING.

### PERSONALIZED LEARNING

- ONE-ON-ONE WEDNESDAYS

WEDNESDAYS INCORPORATE DEDICATED TIME FOR INDIVIDUALIZED INSTRUCTION, OFFERING EACH CHILD OPPORTUNITIES TO RECEIVE ADDITIONAL SUPPORT OR PARTICIPATE IN EXTENSION ACTIVITIES. THIS TAILORED APPROACH ENABLES STUDENTS TO REINFORCE SKILLS, EXPLORE NEW CONCEPTS, AND PROGRESS AT A PACE ALIGNED WITH THEIR LEARNING NEEDS.
