

DECEMBER NEWSLETTER

December is always a special month to share with our students. We prepare cards/crafts to send out to the older members of New Hope Church and make special parent gifts. We share the story of Jesus birth throughout the month in Bible class, Storytime in the Sanctuary and in our classrooms. We prepare Christmas art projects and have special dress up days to make our days extra fun! Some rooms will enjoy a Polar Express day or learn about how Christmas is celebrated around the world. In addition to all of the excitement that surrounds this time of year, the teachers will help the children learn their songs or lines for their play for our Christmas programs. We invite you to join us for your child's Christmas program and gather afterwards in the Fellowship Hall for cookies. Be ready to take lots of pictures and videos!

Registration for our Kindergarten and Kindergarten Enrichment program began last week. Preschool registration will begin January 3rd. Please see details below for when your family will be eligible to enroll for the 2024-2025 school year.

We are so grateful for all the referrals we receive from our families. We will continue to offer our family referral program for next year's registration. If you refer a family and their child completes the 2024-2025 school year, your family will receive \$150 toward your 2024-2025 April tuition payment. You may find further information on our website.
